### About us:

Shanti Gardens Adult Day Care provides adult day services to the aging population in the Lower Bucks County area in Pennsylvania. We are dedicated to the care and quality of life of the aging population. In recognition of this commitment and obligation, the Center can provide and advocate for a wide variety of health and social services for seniors at all need levels in the continuum of care. Clients and families are included in all aspects of care and care decisions. Shanti Gardens recognizes the desire and ability of all individuals to remain as independent as possible as they age in place with dignity. The goal of the Center is to keep participants in their community. This enables families and other caregivers to continue caring at home for a family member that may have multiple impairments.

Our staff strives to provide high quality services to our clients. Staff members attend ongoing training on adult day services, body mechanics, cardiopulmonary resuscitation (CPR) and infectious diseases. Our caregivers are trained to be empathetic rather than sympathetic, thus enabling a stronger relationship and understanding of clients.

### Services we offer:

- Nursing Supervision and care to include medication administration, health monitoring
- Low impact exercise and yoga
- Nutritious meals the cater to specialized diets
- Various types of therapies
- Assistance with personal care needs such as walking, eating, toileting, bathing and personal hygiene

**Job Description:**

Currently seeking program assistants and volunteers that can help supplement the staff based on experience:

- (1) Assist clients with personal care needs (toileting, bathing, eating and ambulation)
- (2) Work with other staff members as required in implementing and carrying out services and activities and meeting the needs of individual clients.

Desired Skills & Experience:

Personal care or experience caring for Seniors is a plus.

A biweekly stipend is available for those that qualify, in addition to a daily lunch.
